To whom it may concern:

Please consider this a letter of recognition for **Elizabeth Reeves** who volunteered as a peer note taker for the Access and Support Centre (ASC) at Durham College of Applied Arts and Technology for the 2014 – 2015 Academic year. This position requires selected peer note takers to provide their weekly notes to their classroom peers, who have note taking as an approved accommodation, for the remainder of the term. Students who require the services of a note taker may have difficulties taking notes due to a learning exceptionality. A volunteer note taker is an essential service to support students with this accommodation in their academic career.

Without the support from our volunteer peer note takers, students may not have access to all of the class notes.

Thank you for your contribution to the success of DC students,

D. Edge-Bean
